

## **Raptor Visitor Badge System**

---

**Beginning this school year, we will use the Raptor program to check in our school visitors with whom we are familiar and unfamiliar. When you visit Solvay Elementary School during school hours, you must present a valid state issued ID to be entered in the system. The system has the ability to provide alerts on people who may jeopardize the safety our students, staff and campus. Once an ID is scanned by a school employee – and it is determined that the visitor is safe – a visitor badge will be printed with a photo. Your ID will be returned when the school employee presents the visitor badge to you. This process takes 30-45 seconds. We ask for your cooperation in keeping our school safe by presenting a valid state issued ID when checking in at our school.**
