November 19, 2020

Dear Solvay Community,

This afternoon, the District was notified by the Onondaga County Department of Health that a high school student tested positive for COVID-19. The student was last in school on Tuesday, November 10th. Contact tracing conducted by the Department of Health determined that there was no exposure at the high school as the student was not in the building during his/her infection period.

The District is focused on the health and well-being of our staff and students. We will continue to keep you informed via ParentSquare, our webpage, and social media.

If you have a specific question, please submit those by calling the District's COVID-19 hotline (315-468-7058) or emailing covid19@solvayschools.org.

Thank you.

Jay Tinklepaugh
Superintendent of Schools
