Dear Parents and Guardians,

Today, Monday, September 25, 2017, an incident occurred concerning a threat made on social media. The high school went into lock down as a precaution and notified the authorities.

Student and staff safety is always our primary concern. Police, school administration, and staff put into practice the procedures we rehearse in cases of an unfortunate event.

The police determined that there was no threat at school and the school building and grounds were determined to be safe.

The police have the student in custody and are doing a complete investigation.

On behalf of the Solvay Administration and Board of Education, I want to thank everyone for their assistance with this incident.

Sincerely,

Jay Tinklepaugh  
Superintendent of Schools
