What is LD Parents Connect?

LD Parents Connect is a comfortable and secure virtual online community for parents of students with a Learning Disability. This new website is a great resource to interact freely, share views and seek help from others like you!

Registration is free & easy—visit www.LDParentsConnect.org

- Log in and join a group discussion
- Use the links to seek answers to your questions
- View webinars
- Connect with other parents who have similar needs
- Find community resources
- Receive current information

Start connecting with others today!
