### Three reasons you should become a shavee.

#### BE A HERO

When you sit in the barber's chair and put on that cape, you transform into a hero for kids with cancer. As a shavee, you're not only raising funds researchers depend on to cure childhood cancer — you're also spreading awareness every time you show off your bald head.

#### HAVE FUN

Fun always takes center stage at these events. (Even when there are tears!) Expect hugs, high fives and some cool swag.

#### MAKE A DIFFERENCE

Your commitment to shave for the cause raises more than funds and awareness — it shows kids who lost their hair during treatment that you support them, and it brings hope to their families and friends.
