May 1, 2020

Dear Parent/Guardian,

We write to inform you of actions taken by the New York State Governor, Andrew Cuomo, related to the COVID-19 pandemic. Governor Cuomo has taken extraordinary steps to protect the health of our community during this unprecedented public health crisis.

In response, all students in the Solvay Union Free School District will remain home until May 15, 2020. After May 15, Governor Cuomo has announced the possibility of additional closures. Therefore, we will continue to communicate with families daily.

Governor Cuomo has emphasized that: 'It is critical that everyone does their part in stopping the spread of the virus. Whether you are young or old, healthy or vulnerable, all New Yorkers have a role to play in slowing the spread of COVID-19.'

Sincerely,

Jay Tinklepaugh
Superintendent of Schools
