

LIGHT THE NIGHT

CLASS OF 2020

Not only will we have all 3 scoreboards lit and stadium lights on, you will also get the chance to see your favorite staff and faculty!

We will, however, all abide by the social distancing rules that go along with COVID-19 and ask that everyone please stay in their vehicles.

We encourage all of our Solvay Bearcat community members to turn on outdoor lights and show your Solvay spirit! For the parade, we would love to see your school spirit by decorating your vehicles in Orange and Blue and wearing as much Bearcat gear as possible!

Please enter up Stanton Ave. and follow the signage!

IT'S A GREAT DAY TO BE A BEARCAT!
