

Solvay Elementary Celebrates First Responder Day

Solvay Elementary School recently hosted First Responder Day, giving students a unique and exciting opportunity to learn more about the everyday heroes who keep our community safe. Students had the chance to meet and talk with local first responders, ask questions about their jobs, and gain a better understanding of the important roles they play.

In addition to engaging conversations, students got a firsthand look at some of the equipment and vehicles used by emergency personnel. From police cruisers to fire trucks and ambulances, students explored the tools that help first responders do their jobs every day.

A very special thank you goes out to the Solvay Police Department, Solvay Fire Department, Geddes Police Department, AMR Ambulance, and Solvay Elementary's own SRO, Officer Mark Werbeck, for making this day so memorable for our students. Their time, dedication, and service to the community are truly appreciated!
