

NOTICE: High School Stadium Capital Improvement Project

Dear Neighbors,

We are excited to share that a **significant capital improvement project** is scheduled to begin at the **High School Stadium starting April 24th**. This project is an important investment in our school's facilities and the safety of our student-athletes.

Project Scope & Timeline

To ensure the best possible results, the following schedule is currently in place:

- **Start Date:** April 24th
- **Facility Status:** The stadium ***will be closed to the public*** through the duration of the project.
- **Anticipated Completion:** October

What to Expect

While we are hopeful that this work will not be overly disruptive to our neighbors, please be aware that there may be increased noise and construction traffic in the area during work hours. We are working closely with the contractors to minimize the impact on the surrounding community.

We sincerely appreciate your patience and understanding as we undergo these necessary renovations. We are looking forward to unveiling a revitalized facility that our entire community can be proud of this fall.

Thank you again for your continued support of our school and students!

Sincerely,

Jay Tinklepaugh
Superintendent, Solvay Union Free School District
