HEALTH AND DENTAL REMINDER

This serves as a reminder to all parents/guardians to check if all your children have the required immunizations. Parents/guardians, by the first day of school, for all new, pre-kindergarten, and kindergarten students, you should present proof of immunization. New York State Education Law mandates that children entering school present a certificate from a physician or a previous school stating that immunizations have been administered (see chart below). Physicals are required upon entering school in grades Pre-Kindergarten or Kindergarten, 1, 3, 5, 7, 9, and 11 OR a new student to the district. A dental health certificate from your dentist is requested for the same grade levels requiring physicals. Parents are encouraged to have their own family physician give the physical; but if they do not, physicals may be automatically scheduled in school.

New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:

All children must be age-appropriately immunized to attend school in NYS. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the "ACIP-Recommended Child and Adolescent Immunization Schedule." Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Vaccines	Pre-Kindergarten (Day Care, Head Start, Nursery or Pre-K)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap/Td) ²	4 doses	5 doses or 4 doses if the 4th dose was received at 4 years or older or 3 doses if 7 years or older and the series was started at 1 year or older		3 doses
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap) ³		Not applicable		1 dose
Polio vaccine (IPV/OPV) ⁴	3 doses	4 doses or 3 doses if the 3rd dose was received at 4 years or older		
Measles, Mumps and Rubella vaccine (MMR) ⁵	1 dose	2 doses		
Hepatitis B vaccine ⁶	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years		
Varicella (Chickenpox) vaccine ⁷	1 dose	2 doses		
Meningococcal conjugate vaccine (MenACWY) ⁸		Not applicable	Grades 7, 8, 9, 10 and 11: 1 dose	2 doses or 1 dose if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib) ⁹	1 to 4 doses	Not applicable		
Pneumococcal Conjugate vaccine (PCV) ¹⁰	1 to 4 doses	Not applicable		

PARENTS RIGHT TO KNOW

Parents/guardians of a student in the Solway Union Free School District, have the right to know the professional qualifications of the classroom teacher(s) who instruct their children. In accordance with the Federal Every Student Succeeds Act (ESSA) of 2015, formerly known as No Child Left Behind Act (NCLB), parents can ask for the following information about their child's classroom teacher(s):

- Whether the New York State Education Department (NYSED) has licensed or qualified the teacher for the grades and subjects he/she teaches.
- Whether NYSED has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- Whether any teacher's aides, teaching assistants, or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you, as a parent/guardian, would like to receive any of this information, please send a written request to the Assistant Superintendent for Educational Services, Jessica Whisher-Hehl, at this address: SUFSD, PO Box 980, Syracuse, NY 13209-0980. All requests will be honored in a timely manner.

Any member of the public can check on the certification(s) of a teacher by going to this link: <http://www.highered.nysed.gov/tcert/respublic/home.html>. On that page, select "TEACH Public Inquiry System," then follow the directions.

An additional Right to Know for all parents/guardians regarding Policy 7521, Students with Life-Threatening Health Conditions and/or Anaphylaxis, can be found on the district's website in the Board of Education's Policy Manual. If you have any questions, please email your child's school nurse. A guidance document is available on the NYSED:SSS:School Health Services website [pursuant to Public Health Law Article 25 section 2500-h(3)].

CHANGE OF ADDRESS, PHONE NUMBER, EMAIL, etc.

If you move, change your phone number, or email during the school year, you are required to notify your child's school. You also need to provide proof of residency for your new address. If your new address is not within the boundaries of our school district, then you will need to register with a school in the district where your new residence is located.

STUDENT PHOTOGRAPHS USED IN PUBLICATIONS/VIDEOS/WEB

Throughout the school year, photographs/videos may be taken of students during the day, at after school/evening activities, and/or sporting events for use in district publications including the district web site and/or news media. Parents who do not want their child(ren) photographed for these purposes are asked to send a note to your child's school principal. This is required to be completed annually. A simple written, signed note stating, "Please do not photograph my child(ren) {Student Name(s)} for use in publications, web." The note may be delivered in person or mailed to your child's school.

STUDENT USE OF COMPUTERS AT SCHOOL

The Board of Education's policy for student use of "computerized information resources" in our schools can be found on the District's website at www.solvayschools.org. If you have questions regarding this policy, please contact Rory Malone, Director of Instructional Systems & Technology Support, at 315-468-1111 or rmalone@solvayschools.org.

EMERGENCY CLOSINGS

In the event of a closure or delay, due to inclement weather or poor driving conditions, notices will go out via *Parent Square*, email, appear on the district's web site, and news/radio media.

SCHOOL BREAKFAST and LUNCH PROGRAM

If you have any questions regarding the school's breakfast and/or lunch program, please contact the main office of the building where your child attends or the Food Service Office at 315-484-1403.

EVERY STUDENT SUCCEEDS ACT (ESSA)

The Every Student Succeeds Act (ESSA) was signed by President Obama on December 10, 2015, and represents good news for our nation's schools. This bipartisan measure reauthorizes the 50-year-old Elementary and Secondary Education Act (ESEA), the nation's national education law and long-standing commitment to equal opportunity for all students.

The law builds on key areas of progress in recent years, made possible by the efforts of educators, communities, parents, and students across the country.

The previous version of the law, the No Child Left Behind (NCLB) Act, was enacted in 2002. NCLB represented a significant step forward for our nation's children in many respects, particularly as it shined a light on where students were making progress and where they needed additional support, regardless of race, income, zip code, disability, home language, or background. However, the district must also notify parents of their right and the rights of their children to request, in writing, that the district NOT release such information if it is requested.

Parents or students, who are at least 18 years of age, wishing to exercise their option to withhold their consent to the release of the above information to military recruiters and institutions of higher learning, must complete a waiver form, included in the high school's summer mailing, and return the completed form to the attention of the Principal, Solvay High School, 600 Gertrude Avenue, Solvay, NY 13209.

NOTICE OF AVAILABILITY ASBESTOS MANAGEMENT PLANS

As provided under the Asbestos Hazard Emergency Response Act, (AHERA – EPA 40 CFR 763), the Solvay Union Free School District hereby makes known the steps it has taken to comply with AHERA and the availability of Asbestos Management Plans.

Beginning in 1989, all district owned facilities were inspected for asbestos and management plans were developed for each building according to the requirements of AHERA. The district conducts re-inspections every three (3) years. Onondaga-Cortland-Madison BOCES Safety Department was contracted to complete the 2007 AHERA Triennial Inspection of all facilities and update the Asbestos Management Plans.

Periodic surveillance of asbestos containing building materials is conducted every six (6) months.

The custodial and maintenance staff has undergone two-hour asbestos awareness training.

All response actions taken are within Federal and State guidelines.

Asbestos management plans may be viewed at the Facilities Office during normal hours of 8:00 a.m. – 4:00 p.m., Monday through Friday. For more information please contact the Director of Facilities, L.E.A. Designee, at 315-468-7035.

FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the school principal receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Solvay Union Free School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

Directory Information Notification:

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Solvay Union Free School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Solvay Union Free School District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Solvay Union Free School District to include this type of information from your child's education records in certain school publications. Examples include: a playbill, showing your student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.¹

If you do not want Solvay Union Free School District to disclose directory information from your child's education records without your prior written consent, you must notify the school principal in writing by within 30 days of entering school. Solvay Union Free School District has designated the following information as directory information: student's name, address, telephone, email, photograph/video, date and place of birth, attendance, grade, sports, weight and height, awards, student ID number or any other unique identifier. Please include the parent/guardian name, address, and telephone number.

¹These laws are: Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).

TRANSPORTATION and SAFETY

With a new school year, we again remind all students and parents of the importance of taking special care of the safety concerning our “precious cargo” who are transported on the school bus. The drivers and staff of the Transportation Department have an EXCELLENT safety record, which we want to maintain and extend.

Parents can help greatly in this effort. Below is some information for parents to help us provide safe and efficient transportation for your school children:

- Transportation eligibility is based on distance.
 - PreK are eligible if age 4. If child is not age 4, the parent(s)/guardian is responsible for transportation.
 - Grades PreK-8 are eligible if they live .5 miles or more from school.
 - Grades 9-12 if they live 1.0 mile or more from school.
- All PreK and Kindergarten students must be accompanied to the bus stop and be met at the drop-off points. Students who are not met, or who are met by someone unfamiliar to the bus driver, will be returned to the school after an attempt to contact the parent/guardian by telephone. Bus stops are not necessarily door-to-door for kindergarten students. There are many factors used in determining each child's pick-up and drop-off locations.
- All changes in routes must be discussed with and approved by the Transportation Supervisor only. Drivers are not allowed to make any changes to their route without the prior approval by the Supervisor.
- Carrying things on the bus: Only packages or instruments that can fit on your child's lap can be brought onto the bus. Please make alternate plans for carrying large packages or projects to and from school.
- A key part of bus safety is student discipline. Your support in implementing our bus discipline is needed and greatly appreciated. Please feel free to call the Transportation Department at 315-487-5842 regarding any questions about bus discipline and/or Bus Conduct Reports.
- Transportation is between home and school only. Parents/guardians must complete a Transportation Request Form if the student is going to be transported to or from an address other than home. **This form must be filled out and submitted each school year, or whenever there is a change in transportation needs.** You can obtain a form by visiting our web site, the school building secretary, or at our office located at 399 Beach Road in Lakeland. Note: No changes will be made until it is submitted in writing and you have been notified by the Transportation Department that the request has been received and approved.
- Only students who reside inside the Solvay Union Free School District may ride on our buses.
- House numbers should be visible.
- How to cross safely in front of the bus. Go out ten (10) feet, wait for the driver's universal crossing signal, and look both ways.
- Never run to or return to pick up something dropped in front of or near the bus. Wait for the bus to come to a complete stop and the door has opened before walking towards the bus. Wait for the bus away from the road.
- Parents should be aware of the dangers to children concerning drawstrings on clothing and on some backpacks. We still encourage the use of backpacks, but without any strings or dangling objects. Toys making loud noises should not be taken on the bus as well as any objects that could distract the driver. All books, pens, school supplies, etc. that are carried onto the bus should be placed in a backpack or similar device.
- Students should arrive at their bus stop five (5) minutes prior to the scheduled arrival time of their bus.

DISTRICT STADIUM POLICY

Philosophy

In the Solvay Union Free School District, we hope to create a safe and enjoyable environment for all spectators and participants at stadium events. We also want to protect the stadium from damage. Therefore, we have these guidelines for behavior, sportsmanship, respect, and stadium use.

Behavior

All participants and spectators will be expected to politely and courteously conduct themselves at all times. For example, there will be no fighting, pushing, or shoving. Additionally, spectators will not be running through the stadium, especially on the bleachers and handicap ramp. Inappropriate or dangerous behaviors will not be allowed.

The stadium environment will be respected and spectators will not be allowed to throw objects or to litter the facility. Violators will be asked to leave the stadium and school grounds.

Sportsmanship

The Solvay Union Free School District expects all spectators and participants to display good sportsmanship. According to Section III rules noisemakers of any type are not allowed at athletic contests. This includes, but is not limited to, thunder-sticks, penny-filled containers, air horns, etc. We also expect all spectators and participants to comply with Section III of the N.Y.S.P.H.S.A.A. The spectator code of behavior/ethics includes:

1. Direct all energies to encouraging your team.
2. Avoid actions that offend visiting teams or individual players.
3. Show appreciation of good play by both teams.
4. Learn the rules of the game in order to be a more intelligent spectator.
5. Treat all visiting teams in a manner in which you would expect to be treated. Respectfully accept the judgment of coaches and officials.
6. Encourage other spectators to participate in the spirit of good sportsmanship.
7. Be positive and support your team.
8. Be respectful of and comply with the directives of all stadium event staff.
9. All portions of the Solvay High School Code of Conduct are in effect and will apply to infractions.

Respect

The Solvay Union Free School District expects all spectators and participants to behave respectfully and conduct themselves in a positive manner. We will not tolerate the use of profanity, abusive language, taunting of athletes, officials, spectators, or event staff. The Dress Code will be enforced. There will be no indecent exposure. Spectators will comply with our Code of Conduct that prohibits inappropriate displays of public affection. Violators will comply with event staff directives, or they will be asked to leave the stadium and school grounds.

Stadium Rules

Spectators will leave all pets at home. The only animals allowed in the stadium are assisted living or seeing eye dogs. New York State Law prohibits the possession or use of tobacco products, drugs, or alcohol anywhere on school grounds at any time. Spectators will not possess or throw recreational objects, such as beach balls, Frisbees, balls, etc. All student spectators will be seated in the bleachers. All spectators may be seated at the discretion of event staff for health and safety reasons. Spectators will not stand in the "No Loitering Zones". Elementary and middle school students should be supervised by a parent/guardian at events held at the stadium.

IMPORTANT MESSAGES

Attendance

Legal reasons for absences or tardiness include: college visit, cooperative work program, court appearance, disciplinary action, family emergency, field trips, funeral, health appointments, illness, impassable roads or weather, late bus, military obligations, quarantine, religious observance, road test, or sanctioned academic or athletic event. Absence or tardiness for any other reason is considered illegal. Parents are required to write a signed excuse to the school when a student returns after being absent or tardy. New York State requires the district to maintain a file of written excuses for at least one year.

At the high school, the Board of Education has established a minimum attendance rate of 85% as a requirement for successful completion of each course. Whenever a student's attendance falls below 85% in any course, for any reason, his/her grade is automatically carried as an incomplete.

Anonymous Reporting of Bullying/Cyberbullying, Discrimination and/or Harassment

Any student who believes that he/she is being subjected to bullying/cyberbullying, discrimination and/or harassing behavior, as well as any other person who has knowledge of or witnesses any possible occurrence of such, may report the behavior anonymously utilizing the TipLine located on the District web page at www.solvayschools.org

Tobacco-Free Schools

Smoking/tobacco use, including e-cigarettes/e-cigs/vaporizers, are prohibited within and on all district owned, rented, or leased buildings, property, and vehicles. This prohibition applies to public, staff, and students, and extends to private vehicles when on school property. The penalty for smoking on school property may be as high as \$2,000 for each violation.

Permission Slip Requirement

Permission slips are required for the following: all field trips and special transportation requests. A physician's note and other requirements are necessary for medications administered in school.

Academic Eligibility for Sports and Co-curricular Activities

Students in grades 7-12 who wish to exercise their privilege to participate in sports and school-sponsored clubs must carry at least five (5) classes plus physical education, maintain an overall average of 65 and be failing no more than one (1) subject to remain eligible. Eligibility must be maintained each marking period for participation to continue. A complete copy of the eligibility policy is available in the main office of the middle and high schools.

Use of District Facilities *(Brief Summary)*

Community organizations wishing to make occasional use of school district facilities are directed to the school's website (www.solvayschools.org) to complete an online facility use request. To ensure that there is sufficient time for the board to consider a request, such requests should be completed online at least five (5) weeks before the planned event for which the facility is needed.

Visitors to our Schools

District residents are always welcome in our place of learning. However, we ask that all visitors report immediately to the building's main office with your driver's license so that it can be scanned and reviewed by the building's verification system. It is more important than ever before to ensure the proper identification of everyone who enters and moves about in our buildings so that we may ensure the security of the buildings and the safety of students, staff, and guests.

Student Phones/Electronic Devices

Electronic devices that are brought to the school setting are done so at the student's own risk. The school district assumes no responsibility for damage, loss or theft or personal electronic devices on school property or at any school activity/function.

ABOUT THE DISTRICT

The Solvay Union Free School District is one of the oldest, independent school districts in central New York, organized in the late 1800's. The district encompasses 10 square miles west of Syracuse comprised of the Village of Solvay, the Lakeland area, and parts of the towns of Geddes and Camillus. Students from the Lyncourt Union Free School District also attend Solvay High School.

**Solvay Elementary School
(Grades K-4)
Christine Miczan, Principal
William Dean, Dean of Students**

A student's elementary education, in some instances, beginning kindergarten through fourth grade. Children entering kindergarten must be 5 years of age by December 1 to register. Registration is held in early March and entrants are screened in May and June, and an orientation program is held in late August.

The school embraces Positive Behavioral Interventions & Supports (PBIS), encouraging students to be respectful, responsible, and safe. PBIS is supported by acknowledging students for their positive behaviors at weekly school-wide community based meetings.

Our teachers engage students in hands on activities in all of the core subject areas: math, social studies, ELA, and science. Students receive a rich education in art, music, library, and physical education. Classrooms are equipped with the latest technology devices used to prepare our students for 21st century skills.

The elementary school program provides the foundation for our student's formative years in education. Of major emphasis is on early literacy. We encourage parents/guardians to read with your child for at least 20 minutes each day. Our combined efforts will insure that your child is ready for their middle level education.

**Solvay Middle School
(Grades PreK & 5-8)
Bridget Nadzan, Principal
TBH, Assistant Principal**

Solvay Middle School houses students in grades PreK and 5-8 and provides a well-rounded educational experience. Students in PreK follow a typical elementary schedule, while students in grades 5-8 follow a typical middle school schedule. We expect students to be respectful, responsible, ready to learn, and safe. Students not only receive support from the instructional and administrative staff, but have access to counselors, school psychologist, social worker, and Promise Zone.

During their years at SMS, students are given the opportunity to explore their abilities, talents, and interests. We offer a variety of co-curricular activities and clubs, in addition to a number of accelerated and advanced classes.

**Solvay High School
(Grades 9-12)
Russ Stanton, Principal
Neil Gottlieb, Assistant Principal**

A student's high school experience is preparation for adult life. Students, along with their parents and school counselor, develop their daily schedule which includes required courses along with a variety of electives. The New York State Board of Regents requires all students to earn a minimum of 22 credits to receive a high school diploma.

In preparation for college, Solvay High School offers 40 college courses. Students who choose one or more of these courses may gain flexibility in the college schedule and possibly save on tuition. College courses are offered through Onondaga Community College (OCC), Cayuga Community College, Syracuse University, and SUNY ESF.

Solvay High School partners with Onondaga Community College to offer two unique opportunities. 1) The OCC Advantage Program is open to all incoming 9th graders. Upon meeting the program requirements over their four years of high school, graduating seniors will be eligible to receive full funding to attend OCC. 2) The Solvay Success Academy gives students the opportunity to work towards earning an associate's degree from OCC during their high school career. Students must apply and be accepted into Solvay Success Academy.

CODE OF CONDUCT SUMMARY

The mission of the Solvay Union Free School District is to develop confident, continual learners who are caring community members. With this in mind, the District's Code of Conduct outlines and supports equitable school communities that are relationship-driven, affirming, and culturally responsive. The practice of prioritizing relationships within the schools helps to create a more caring community for all learners.

This document was created in collaboration with the Solvay community, including students, family members, faculty and staff, administrators, community members, and the Solvay Board of Education for the purposes of creating a safe and productive learning community that promotes the growth and development of all. This document acts as the Districts' social contract to promote and encourage:

- All parties are learning and growing
- Cultural responsiveness
- Community partnerships
- Reflection
- Pathways forward
- Social-Emotional well-being and growth
- Nurturing environment
- Trauma-informed practices
- Communicating values and expectations

As a District, we recognize that our community comprises a myriad of backgrounds and life experiences; it is the responsibility of all involved parties (students, teachers, other Solvay personnel, parents, and visitors) to achieve the goal in creating a safe and productive learning environment where all participants can thrive. We seek to create an atmosphere of belonging for all involved parties, including Solvay Bearcats and guests, where all are treated with dignity and respect.

Members of the school community must also respect themselves through an understanding and appreciation of their own individuality. It is only through this knowledge and respect for self that we become empowered with the ability to extend this respect to others, to acknowledge the expression of uniqueness in others, and to give of ourselves in assisting others to develop a stronger sense of self.

All members must demonstrate respect for the beliefs and values of others. We must be active and positive in our respect, curtailing acts or language that would diminish another and having empathy for individual differences. At the same time, expression of one's individuality must demonstrate respect for the environment and for the health, safety, personal property, and dignity of others. Participating parties are encouraged to be conscientious of the fact that their daily tasks, activities, and responsibilities can impact the greater learning community, both on and off-campus during school-sponsored activities.

In accordance with the Dignity for All Students Act, School District policy and practice must ensure that no student is subject to discrimination or harassment, based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender/gender identity or sex by school employees or students on school property, on a school bus, or at a school function.

Finally, members and visitors must encourage and expect each other to be positive, contributing members of the school community by accepting the responsibilities associated with our respective roles in public education.

The District's dress code policy promotes safety and belonging - crucial tenets of a positive school culture. It is also intended to provide guidance to prepare students for their roles in the workplace and society.

All individuals should be able to dress comfortably for school without fear of unnecessary discipline or body shaming.

All students, staff, and visitors should understand that they are responsible for dressing in a way that is safe, and appropriate, and does not disrupt or interfere with the educational process. A person's clothes, dress, garments, and overall appearance shall not interfere with the health, safety, learning, and well-being of others in the school community.

School administrators and staff can intervene in situations where clothing or garments serve to: dehumanizes groups or individuals; promotes hate or encourages violence; promotes or endorses the use of alcohol, tobacco, or illegal drugs and/or other illegal or violent activities; or materially and substantially interferes with the requirements of appropriate discipline and/or operation of the school in a safe manner.

CODE OF CONDUCT SUMMARY (continued)

Students who violate the student dress code shall be required to modify their appearance to comply with the dress code in accordance with the approval of the administration. Any student who refuses to comply do so shall be subject to discipline, up to and including suspension for the day. Any student who repeatedly fails to comply with the dress code shall be subject to further discipline, up to and including additional out-of-school suspension.

Student Searches and Interrogations by District Officials

Any school official authorized to impose a disciplinary penalty on a student may question a student about an alleged violation of law or the district code of conduct. Students are not entitled to any sort of Miranda type warning before being questioned by district officials, nor are district officials required to contact a student's parent before questioning the student. However, district officials will tell all students why they are being questioned. In addition, the Board authorizes Solvay school nurses, Principals, program supervisors, and teachers to conduct searches of students and their belongings if the district official has reasonable suspicion to believe that the search will result in evidence that the student violated the law or the district code of conduct. A district official may conduct a search of a student's belongings that is minimally intrusive, such as touching the outside of a book bag, without reasonable suspicion, so long as he or she has a legitimate reason for the very limited search.

Searches of Lockers, Desks, and Other School Storage Places

Students have no reasonable expectation of privacy with respect to these places and school officials retain complete control over them. This means that student lockers, desks and other school storage places may be subject to search at any time by school officials, with the support of trained scent dogs when deemed appropriate by school officials, without prior notice to students and without their consent.

Visitors to the Schools

Parents and other district residents are encouraged to visit the district's schools. However, since schools are places of work and learning, certain limits must be set for such visits. The specifics of those limits are covered in Board of Education Policy # 3210. The following rules apply to all visitors:

1. Anyone who is not a regular staff member or student of the particular school building visited is considered a "visitor".
2. The Principal of the school must be contacted by the person or group wishing to visit, and prior approval must be obtained for the visit.
3. Except for those who are attending a public meeting, performance, or athletic contest, visitors are expected to report to the building's main office upon arrival at the school.
4. Individuals who wish to observe a classroom while school is in session are required to arrange such visits in advance with the classroom teacher, so that classroom disruption is kept to a minimum.
5. Anyone visiting the schools must abide by the rules of public conduct contained in this code as well as those found in Board of Education Policy # 3410 "Code of Conduct on School Property".
