## Instruction

- Flipped Classroom - Algebra II teachers finding this model very successful
-Allows for new instruction through videos
_"Homework" can is done in class with teacher present

## Instruction

- Summer Curriculum Work - Item Analysis and Trend Maps were analyzed and Curriculum Maps refined to more accurately reflect assessed standards

## Intervention

- Middle School Currently has 9 periods per day (18 Sections) of small Group AIS

## Intervention

- HS Math Lab - AIS math lab is open throughout the day for students to drop in for homework help and extra review

## Goals

- Continue to work to shift the mindset of our teachers toward mastery-level learning, not just proficiency
- Continue to work to sift the community mindset that all students can be successful in mathematics
