Valedictorian - Jacqueline Allen

My plans in the next few years:
I am attending and playing
volleyball at Wells College. I am
going in undeclared and plan to
study a variety of interests.

What I've enjoyed the
most about my high school
experience: Being surrounded
by countless amazing people,
and making memories that I will
never forget.

My favorite quote or saying:
"Be who you were created to
be and you will set the world on
fire." - St. Catherine of Siena

This is who has inspired me the
most: My parents

Parents: Maureen Robinson
and Michael Allen

Salutatorian - Christiana Marotti

My plans in the next few years:
I plan to attend Le Moyne College
in the fall.

My career plans: At Le Moyne, I
will be in the Dual Degree Nursing
Program in order to pursue a
career that will help people.

What I've enjoyed the most about
my high school experience: I have
truly enjoyed being a part of the
Solvay community. Everyone is so
caring and works hard to see the
students succeed.

My favorite quote or saying: "If
you're always racing to the next
moment, what happens to the
one you're in?"

This is who has inspired me the
most: Over the past four years,
my parents have inspired me the
most. Being in a family of seven,
they have shown me in many
ways what it means to be a hard
worker. I say this truly does go by
fast so don't waste it. Good luck!

Parents: Joseph and Ruth Marotti

Breaking down the state's assessment

In order to meet the reporting requirements of ESEA/No Child Left Behind (NCLB), the NYS Education Department provides student performance information on the elementary and secondary level assessments in English Language Arts (ELA), math, and science at the middle school level and graduation rates for high schools. In addition to meeting the New York standards, schools must also meet Federal Title I standards if they receive Title I grant funding. The district and individual schools will be considered "in good standing" if they: 1) meet or exceed a 95 percent participation rate requirement for state testing and 2) meet or exceed the Effective Annual Measurable Objective (AMO) in ELA and math. The AMO is the performance index value that each accountability group within a school or district is expected to achieve to make Adequate Yearly Progress. Please note, because of the approval of NYSED ESEA/NCLB waiver, all schools were in good standing for the 2015-16 as well as the 2016-17 school years. Detailed copies of our school report card can be found on our website at solvayschools.org under "Parent Resources." As reported earlier this month, this information is based on assessments given in the spring of 2015. The data from the 2016 assessments will be used for the 2016-17 school report cards (to be published in 2017). Specific questions can be addressed to Eric Larison, Assistant Superintendent for Instruction, at elarison@solvayschools.org or by calling (315) 468-1111.

Mark Your Calendars! Kindergarten Orientation and Registration

Kindergarten Orientation:

Kindergarten Orientation will be held Wednesday, Aug. 24 at 6:30 p.m. This orientation is for the new upcoming kindergarten students that have already registered. Parents and students will have the opportunity at this orientation to learn about the program, visit classrooms, meet teachers, and go on a bus ride! We hope to see you there!

Kindergarten Registration -- Don't Wait:

If you are a parent with kindergarten aged students that have not yet registered for enrollment in the district for September, please do so as soon as possible.

Transferring students from other schools coming into the Solvay Union Free School District in grades 1 through 3 that are already registered or will be, must be screened prior to entering school in September. When you register a new student in these grades, a screening appointment will be set up. The screenings will be performed on Thursday, Aug. 25 from 9:00 a.m. to 3:00 p.m.

A second screening date (if needed) will be available on Wednesday, Aug. 31 from 9 a.m. to 3 p.m. If a screening appointment has not been set up, contact Solvay Elementary School at (315) 488-5422.

Welcome Back

By LAWRENCE WRIGHT
Superintendent of Schools

I am excited to welcome all of our students, new and returning, to another school year! We have accomplished so much in the past few years, and I am confident that 2016–17 will be no exception.

As we move ahead with strengthening our curriculum and school environment, you can be confident that your children are well supported by their teachers, their administration, and your fellow community members. Solvay is a wonderful example of a small, close-knit district that stands behind its students. Last June, we celebrated another year with a 90 percent graduation rate, and I believe that figure will steadily climb as we continue to work together.

There are obstacles ahead, as there always are. State testing continues to challenge our students and teachers; unfunded mandates and a still-struggling economy set roadblocks we will have to climb over; education is changing almost in step with the technology we use to support it, and we must keep pace. Success requires hard work and dedication — something Solvay has never lacked.

Join me in facing the school year, complete with its joys and challenges, head on. Solvay's students rely on us, and I know their trust is well placed!

Parent/Teacher Home Visits for Solvay Elementary School

For the 2016-17 school year, Solvay Union Free School District will offer parent/teacher home visits. These visits will aim to help build positive relationships with families throughout the community, while partnering together to support our students. Solvay Elementary School teachers attended training this past spring for this initiative and are eager to begin meeting with families in the community.

The Parent/Teacher Home Visits Project will bring parents and teachers together in a unique setting at your home, or other location of your choice, allowing all parties to get to know one another while discussing your student's future, hopes and dreams, experiences, and school resources. Students are also welcome to be a part of this visit. Please note that this is not intended to be a parent/teacher conference, but rather an opportunity to get to know each other and build a viable relationship with each other for the benefit of your student. Studies show that these visits have increased student academic achievement and improved parent/guardian engagement in schools. They have also brought teachers and families closer together, while creating opportunities for better communications between home and school.

Your teacher may be contacting you to set up a home visit. While participation is voluntary, we hope you will take the time to consider this opportunity, as this is a time to get to know you and your student away from school, while allowing you to get to know your student's teacher.

Once your form has been received, it will take 48 hours to process. You will receive a phone call from the transportation department giving you the busing information, including stops, times, and bus numbers.

This form needs to be filled out each school year. Forms received from previous years will not be honored for the 2016–17 school year.

This form also needs to be filled out each time there is a change in a day care/baby sitter provider. Phone calls to the transportation department requesting a change will not be accepted. Please use this form at all times. This form can be printed from our website at solvayschools.org (click on "Transportation"), picked up at any of the schools, or at the transportation department, 399 Beach Road, Syracuse, NY 13209.

Bus Schedule Notifications

The bus schedules will be mailed in the schools' August mailing. The bus list and schedules will be mailed on or about Aug. 18. ***If your home address is not listed, please use the nearest listed bus stop to your home address.***

Non-public (parochial and private) school students will receive individual notification in a letter or phone call to the parent/guardian based on requests received by April 1, 2016.

Request for Annual Professional Performance Review (APPR) Information

New York State law allows parents and legal guardians of a student to request the effectiveness scores and final ratings of teachers and principals to which the student is assigned for the current school year. Requests for this information must be made in writing using the teacher/principal request form found on the district website. Please mail it to: Assistant Superintendent for Instruction, PO Box 980, Syracuse, NY 13209. This information may only be released to parents or legal guardians, and the district will verify that any request received has been submitted by a parent or legal guardian. Additionally, the information is intended only for the use of the requesting parent or legal guardian. Once the written request is received you will be

contacted to schedule a meeting with district office personnel, where the requested scores will be presented. No score will be released without a meeting between the parent(s) and district personnel.

Staying Healthy

Students in grades K, 2, 4, 7, and 10 and all new entrants are required to present a physical exam report within 30 days of the start of school. This physical exam should have been done within the previous 12 months. In addition, New York State requires school districts to request a dental certificate for the same grade levels.

Students in grades 4 and 7 who do not have a private physical exam report on file in the health office by Dec. 1, 2016, will be scheduled for a school physical with the school district physician.

NEW - Students entering 7th and 12th grades are required to receive an adequate dose or doses of vaccine against meningococcal disease as recommended by the Advisory Committee on Immunization Practices (ACIP).

Changing Your Address

Have you moved?

If you moved during the summer or if you are planning on moving during the school year, you are required to notify your school principal of that new address as soon as your move is complete. If your new address is not within the boundaries of the school district, then you will need to register with a school in the district where your new residence is located.

Also, remember to keep your student(s) school(s) informed of all changes in contact information including phone numbers and e-mail addresses.

Student Photographs

Pictures/Videos

Throughout the school year, photographs/videos may be taken of students for use in district publications, including the district website or by the news media. Parents who do not want their child(ren) photographed for these purposes are asked to send a note to your child's school principal. A simple written, signed note stating, "Please do not photograph my child(ren) {Student Name(s)} for use in publications and/or web," will suffice.

The note may be delivered in person or mailed to your child(ren)'s school.

What a Solvay Thing To Do: Alumni Gives Books to Solvay Graduates and Students

To mark 50 years since her graduation from Solvay High School, Ms. Judith LaManna (Solvay Class of 1966) decided to give back to the Solvay community in the form of books. To each graduating senior, she gave a copy of the Solvay "Blue Book," the history of Solvay, which Ms. LaManna republished in 2011. To Solvay Elementary students, Ms. LaManna gave each student a copy of the children's activity books she wrote and illustrated, "Two Kids at the Fair." To all the Solvay Middle School students, she gave them a copy of her local history, "Solvay Stories II."

Ms. LaManna used the anniversary of her own

graduation as an opportunity to reflect on how far Solvay has come. She attended the Solvay High School graduation ceremony on June 25, where she was moved by how warmly the speakers talked about Solvay and what a special community it is.

"Solvay is still very much the same," said Ms. LaManna. "Good people live there, with good values, people who recognize the special kind of life the Village of Solvay has given them. Importantly, they continue to share the value of working at giving back. As we say in our household, 'What a Solvay thing to do.'"

Pesticide Notification Procedure

Parent/Guardian and School Staff:

The use of pesticides on school property has gained attention from various groups, agencies, and individuals. At Solvay Union Free School District (SUFSD), we want you to know that we take pesticide applications seriously.

It is our policy to practice Integrated Pest Management (IPM) to protect our students, staff, and property from unwanted pests. As you are aware, pests carry and spread diseases, contaminate food, sting, and cause property damage. Keeping pests such as mice out of our buildings is important to help ensure the safety and health of our students and the protection of our property.

The practice of IPM helps us balance our objectives of keeping pests a safe distance away while limiting the use of pesticides.

The New York State Pesticide Notification Law requires that we notify you that pesticides may be used periodically throughout the school year.

It is our intent to protect our students and staff from exposure, and use only non-volatile, reduced risk pesticides from the exempt list for any application. However, should we find it necessary to use other pesticides, the law requires us to maintain a list of parents, guardians, and staff members who wish to receive 48-hour advance notice when a non-exempt pesticide is intended to be used.

If you wish to have your name added to the advanced notice list, simply complete the information in the box below and return it to the Solvay Union Free School District, 299 Bury Dr., Syracuse, NY 13209, Attn: Kevin Van Beveren, Director of Facilities.

COMPLETE ONLY IF YOU WISH TO BE ON THE 48-HOUR ADVANCE NOTICE LIST

I certify that I am a staff member or parent/guardian of a student at Solvay Union Free School District. Please add my name to the 48-hour advance notification list for use of non-exempt pesticides when required by law.

Signature: _____

Print Name: _____

Mailing Address: _____

Phone: _____

Date: _____

Please feel free to contact Kevin Van Beveren, Director of Facilities and the SUFSD pesticide representative, at (315) 468-7035 for further information on these requirements, including information on products that are scheduled to be applied.

You must send in a new application unless the school told you that your child is eligible for the new school year.
5. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
6. WILL THE INFORMATION I GIVE BE CHECKED? Yes and we may also ask you to send written proof.
7. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
8. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: Karen Henry, Assistant Superintendent for Business, PO Box 980, Syracuse, NY 13209-0980 or call at 315-468-4942.
9. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
10. WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
11. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
12. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
13. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.
14. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for **SNAP** or other assistance benefits, contact your local assistance office or call **1-800-342-3009**.

How to Apply: To get free or reduced price meals for your children you may submit an Eligibility Letter for Free Meals received from the NYS Education Department, OR carefully complete one application for your household and return it to the designated office. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household SNAP, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a SNAP, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your SNAP or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](http://www.ascr.usda.gov/complaint_filing_cust.html), (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov. This institution is an equal opportunity provider.

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,
Karen Henry
Assistant Superintendent for Business

- (1) Print the names of the children, including foster children, for whom you are applying on one application.
