Congratulations to the Class of 2021!

154th Commencement

On June 26, Solvay High School conducted its 154th Commencement Ceremony. The last few months of this year's graduating seniors was ever changing. Due to the COVID-19 pandemic's challenging guidelines, the graduation ceremony was once again adjusted. This year's ceremony was conducted on the high school's Al Merola Field at Earl Hadley Stadium. The stage was set up on the track for each student to walk across to receive their diploma. Family and friends were in the stands cheering on their graduate. Again this year, C2 Photography took a variety of pictures which can be found below and on pages 3, 9 and 12.

The Class of 2021 is ready to take on any challenges that come their way!

Superintendent's Perspective **Solvay Superintendent, Jay Tinklepaugh**

We are excited to welcome all of our students back into the buildings this fall! This past year was full of challenges, innovation, and excitement. COVID-19 created an environment of continual change in how we provided instruction for our students. We adjusted classrooms, buses, schedules, and daily operation to provide both in-person and distance learning. Teachers, staff, and students approached the challenges with creativity and ingenuity; adapting to using more technology by learning virtually through Zoom and Google Meet.

As we move into the new school year, we are excited to have all students in school and are confident that your children will be well supported by their teachers, administration, and your fellow community members.

We celebrated a 92% graduation rate for the Class of 2021, a number that we have sustained as a result of hard work by students and staff. In addition, through the support and generosity of our community, our graduating seniors received over \$160,000 of scholarship money through our Dollars for Scholars program.

Tuition-free college opportunities for students will continue with Solvay Success Academy and Solvay OCC Advantage programs. High school students have the opportunity to choose from several new electives in science, art, music, math, and technology. Solvay's BEST (Building Education Success Together) program continued to provide a variety of enrichment opportunities for students in all grade levels. These programs were available before and after school as well as offering many summer opportunities. The District was recognized as one of the Best Communities in Music Education. Our students have been able to do remarkable things this school year, including virtual performances.

This past year and over the summer, capital project work continued with several exciting improvements. The high school auditorium renovations are in the final stages with an anticipated completion this summer. This past spring, the gymnasium floor was replaced. Completed projects at SHS include - a new library, lockers, re-tiled and painted hallways, and a front entrance with a single point of entry. At the elementary school, work continues for the installation of air conditioning. The main office has been reconfigured and like our other schools, a single point of entry is being installed. Also, the expansion of additional parking. New doors and hardware for safety are being installed districtwide.

Please visit our website at www.solvayschools.org to stay up to date with school events. Share your summer adventures with us on Facebook and Twitter by using #SolvayBearcats, or by emailing sentinel@solvayschools.org. For our Solvay UFSD alumni, we would like to hear from you. Please share what you have been up to with us by emailing sentinel@solvayschools.org.

Educating students is our first priority. Thanks to everyone for their hard work, patience, and support this past year. Our community is a special place. We truly appreciate all of you. See you in September!

Pesticide Notification Procedure

Parent/Guardian and School Staff:

The use of pesticides on school property has gained attention from various groups, agencies, and individuals. At Solvay UFSD, we want you to know that we take pesticide applications seriously.

It is our policy to practice Integrated Pest Management (IPM) to protect our students, staff, and property from unwanted pests. As you are aware, pests carry and spread diseases, contaminate food, sting, and cause property damage. Keeping pests such as mice out of our buildings is important to help ensure the safety and health of our students and the protection of our property. The practice of IPM helps us balance our objectives of keeping pests a safe distance away while limiting the use of pesticides.

The New York State Pesticide Notification Law requires that we notify you that pesticides may be used periodically throughout the school year. It is our intent to protect our students and staff from exposure, and use only non-volatile, reduced risk pesticides from the exempt list for any application. However, should we find it necessary to use other pesticides, the law requires us to maintain a list of parents, guardians, and staff members who wish to receive 48-hour advance notice when a non-exempt pesticide is intended to be used.

If you wish to have your name added to the advanced notice list, simply complete the information in the box below and return it to the Solvay Union Free School District, 299 Bury Dr., Syracuse, NY 13209, Attn: Kevin Van Beveren, Director of Facilities.

--COMPLETE ONLY IF YOU WISH TO BE ON THE 48-HOUR ADVANCE NOTICE LIST--

I certify that I am a staff member or parent/guardian of a student at Solvay Union Free School District. Please add my name to the 48-hour advance notification list for use of non-exempt pesticides when required by law.

Signature: _____ Print Name: _____

Mailing Address: _____ Phone: _____

Date: _____

Please feel free to contact Kevin Van Beveren, Director of Facilities and the Solvay UFSD pesticide representative, at (315) 468-7035 for further information on these requirements, including information on products that are scheduled to be applied.

Changing Your Address

Have you moved? If you moved during the summer or if you are planning on moving during the school year, you are required to notify your school principal of that new address as soon as your move is complete. If your new address is not within the boundaries of the school district, then you will need to register with a school in the district where your new residence is located.

Also, remember to keep your student(s') school(s) informed of all changes in contact information including phone numbers and e-mail addresses.

Student in Pictures/Videos

Throughout the year, photographs/videos may be taken of students at school, after school, or at evening events for use in district publications, including the district website or by the news media. Parents who do not want their child(ren) photographed for these purposes are asked to send a note to your child's school principal. A simple written, signed note stating, "please do not photograph my child(ren) --Student Name(s)-- for use in publications and/or web," will suffice. The note may be delivered in person or mailed to your child(ren)'s school.

2021-2022 Events Calendar

The district's events calendar will be sent home with students on the first day of school on September 8. The calendar is available on our web site at www.solvayschools.org. Dear Parent/Guardian:

Children need healthy meals to learn. **Solvay Union Free School District** offers healthy meals every school day. There is no charge for breakfast or lunch. Your children may qualify for free meals or for reduced price meals. Beginning July 1, 2019 students in New York State that are approved for reduced price meals will receive breakfast and lunch meals and snacks served through the Afterschool Snack Program at no charge.

DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced price meals. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Pam Kinne, Solvay UFSD, 600 Gertrude Ave., Solvay, NY 13209; phone (315) 484-1403.**

1. WHO CAN GET FREE MEALS? All children in households receiving benefits from **SNAP, the Food Distribution Program on Indian Reservations or TANF**, can get free meals regardless of your income. Categorical eligibility for free meal benefits is extended to all children in a household when the application lists an Assistance Program's case number for any household member. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. Households with children who are categorically eligible through an Other Source Categorically Eligible designation, as defined by law, may be eligible for free benefits and should contact the SFA for assistance in receiving benefits.
2. CAN FOSTER CHILDREN GET FREE MEALS? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced price meal benefits, an eligible foster child will still receive free benefits.
3. CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told your children will get free meals, please call or e-mail **Neil Gottlieb, at (315) 487-7061 or email ngottlieb@solvayschools.org** to see if they qualify.
5. WHO CAN GET REDUCED PRICE MEALS? Your children may be approved as reduced price eligible if your household income is within the reduced-price limits on the Federal Eligibility Income Chart, shown on this letter. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals and snacks served through the Afterschool Snack Program at no charge.
6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at **(315) 484-1403** if you have questions.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for up to the first 30 operating days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes and we may also ask you to send written proof.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
11. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Karen Henry, Assistant Superintendent for Business, PO Box 980, Syracuse, NY 13209 or 315-468-4942.**
12. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
13. WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.
17. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for **SNAP** or other assistance benefits, contact your local assistance office or call **1-800-342-3009**.

How to Apply: To get free or reduced price meals for your children carefully complete one application following the instructions for your household and return it to the designated office listed on the application. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children or participate in the Food Distribution Program on Indian Reservations (FPIR), the application must include the children's names, the household SNAP, TANF or FPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a SNAP, TANF or FPIR case number for any household member, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number or check the box if the adult does not have a social security number. **An application for free and reduced price benefits cannot be approved unless complete eligibility information is submitted, as indicated on the application and in the instructions.** Contact your local Department of Social Services for your SNAP or TANF case number or complete the income portion of the application. No application is necessary if the household was notified by the SFA their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year and up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Reduced Price Eligible Students: **Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals and snacks served through the Afterschool Snack Program at no charge.**

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities of such individual, a record of such an impairment or being regarded as having such an impairment. Major life activities include but are not limited to: functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. You must request meal modifications from the school and provide the school with medical statement from a State licensed healthcare professional. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical statement must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,
Karen Henry, Assistant Superintendent for Business
