

Head Shaving Facts & Figures

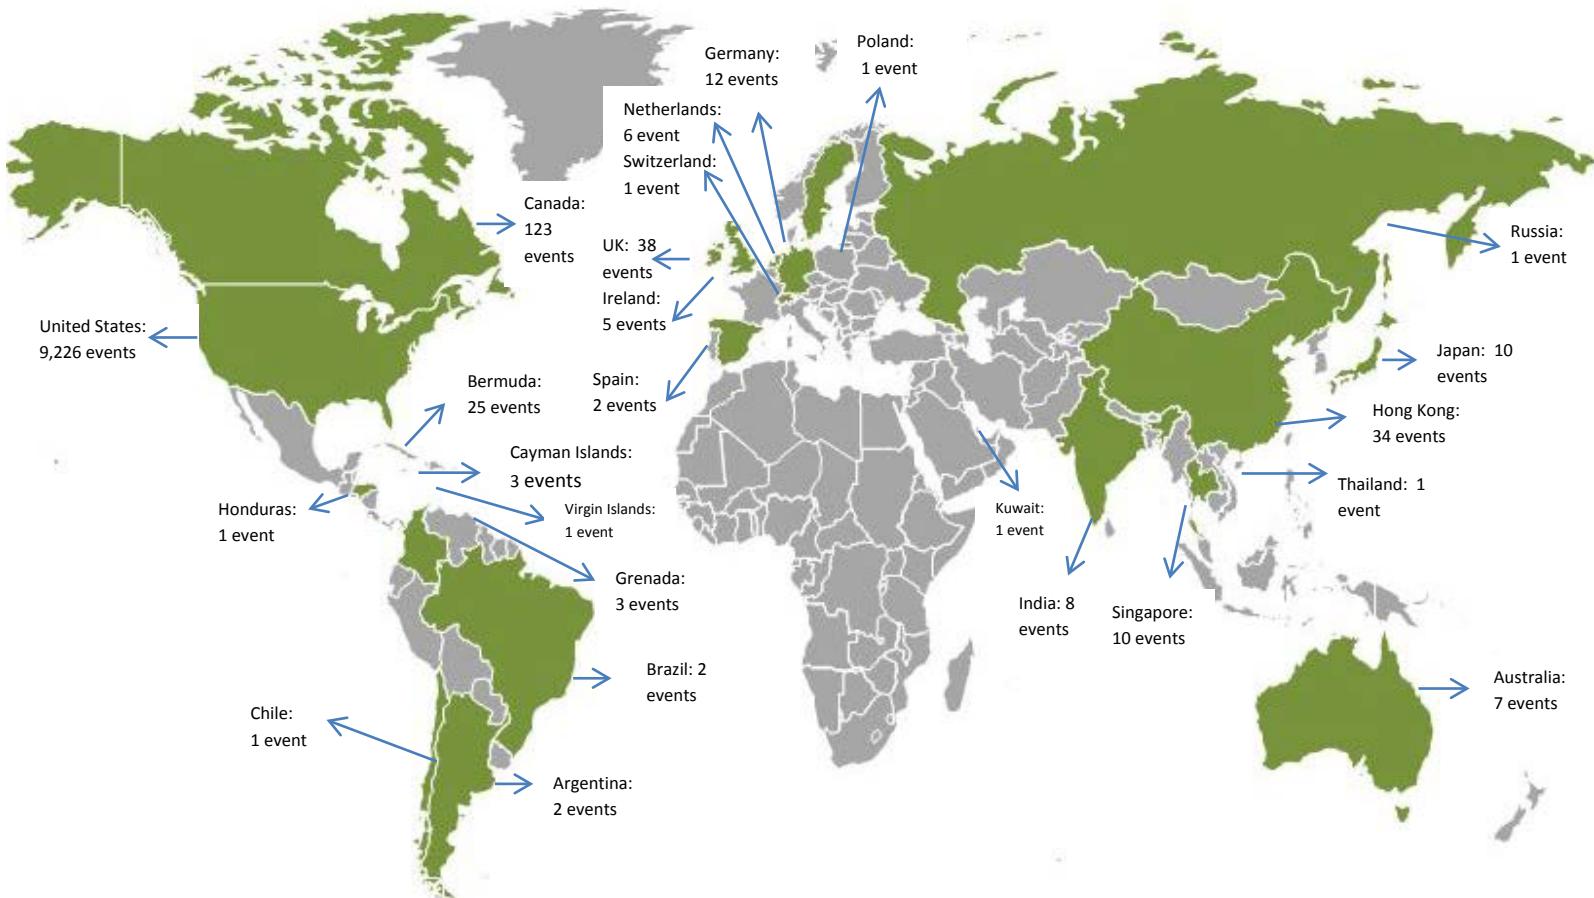

St. Baldrick's Foundation head-shaving events began as a challenge between businessmen and have grown from the first head-shaving event in 2000 to more than 1,300 events in 2015, raising critical funds for childhood cancer research. Events take place in pubs, restaurants, schools, churches, parks, malls, military bases, firehouses and any other place you can imagine.

US Statistics

Year	2005	2006	2008	2010	2012	2014	2015

Shavees	7K	11K	26K	38K	55K	57K	50K

Worldwide Presence

2004 - 2015

What We Do

Current research to find a cure is significantly underfunded, receiving only about 4% of the National Cancer Institute budget. The St. Baldrick's Foundation exists to change this harsh reality.

\$178

MILLION

has been provided by St. Baldrick's since 2005 to fund childhood cancer research grants – that's more than any organization except the U.S. government.

You can be a hero for children with cancer

Kids can't fight childhood cancer alone. More research is needed to give every child a cure and a healthy future. Join us and be part of a global movement to *Conquer Childhood Cancers*.

Worldwide, every 2 minutes a child is diagnosed with cancer.

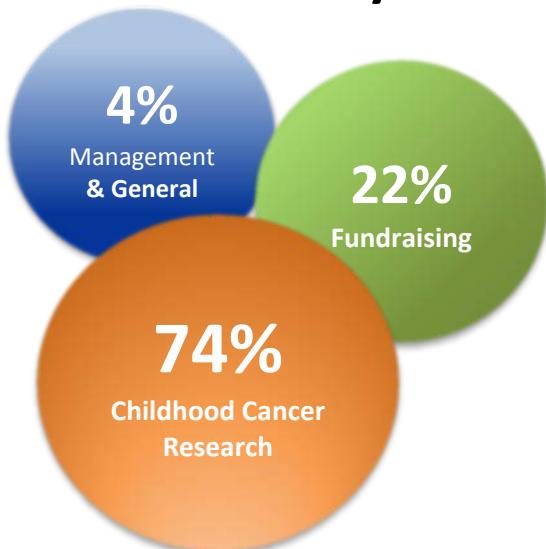

More children are lost to cancer in the U.S. than any other disease - in fact, more than many other childhood diseases combined.

1 in 5 children diagnosed with cancer in the U.S. will not survive.

RESEARCH IS THE DIFFERENCE

Where The Money Goes

Our Impact:

More than \$178 million.

923 Grants.

26 Countries.

The research we fund has the potential to impact every kid diagnosed with cancer.

It's the reason we shave our heads, host events, give money and rally anyone who will listen.
