

MATH & MOVEMENT™

Family Fun Night

is hosting a Math & Movement Family Fun Night. We would love for you to attend!

A Math & Movement Family Fun Night is a high energy math and reading event. Children use fun floor mats and wall charts to learn math and reading concepts through movement. At the Family Fun Night, you will move from station to station with your child while engaging in fun and educational kinesthetic activities.

The Family Fun Night:

- Boosts math and literacy skills.
- Fosters an "I CAN DO MATH!" attitude in students.
- Teaches parents fun ways to tutor children at home.

Special Bonus!

- Every participating family
- will receive two free
- e-books: *Multiply With*
- *Me, Learning to Multiply*
- *Can Be Fun* - Instructor
- Guide (e-book) and Student
- Workbook (e-book)

Students, wear your "crazy socks" for even more fun!!

Visit www.mathandmovement.com for more information!

Please RSVP by returning this slip back to school with your student.
